

## SURFACE DISINFECTING SYSTEM

The COUNTER STRIKE surface disinfecting system is a complete solution for quickly disinfecting surfaces and touch-points in facilities and public areas.

This system is a 5 gallon machine with a 220 psi pump. Standard tools include commercial tough misting gun for quick, effective application of disinfecting chemical, an industrial 25 ft. solution hose with brass quick connects, and a 25 ft. industrial power cord.

The COUNTER STRIKE system provides the operator with a compact yet powerful package that delivers the quick application of disinfecting chemicals in a fine mist to multiple types of surfaces and touch-points in nearly any location.

The on-board tool caddy system simplifies transporting the COUNTER STRIKE to the job location with all tools and chemical necessary to complete job in one trip.

### Ideal for:

- Educational facilities
- Medical facilities
- Hospitality and lodging facilities
- Processing & industrial facilities
- Transportation
- Building Service Contractors
- Sports & entertainment facilities

**5 YEAR WARRANTY**

**37" REACH**

### WARNING

Always wear personal protection equipment when operating this equipment, and follow the chemical manufacturer's recommendations for safety, dilution ratio and dwell time.

# COUNTER STRIKE 5

## FEATURES AND BENEFITS:

- Durable, light-weight, compact body with folding handle
- Top mounted chemical tray, misting gun holster, and large rear wheels for easy transport
- 220 PSI pump, optimal rate of solution dispensing for maximum productivity
- 5-Gallon solution tank for larger coverage, reducing downtime from needing to refill solution
- Compatible with most commercial disinfectants
- 37" commercial tough misting gun for extended reach to high and low areas with ease
- Atomizing spray tip provides 70 Micron droplet size for finer misting and better saturation control with in-line filter to minimize clogging. Other tip sizes available, see spray tip options table
- Twist off spray tip for easy maintenance or replacement with on-board spray tip hold to carry on the machine 3 extra spray tips
- 25' industrial solution hose with quick connects. Optional 50' or 100' solution hoses available, see chart
- 25' industrial detachable power cord
- 5 year warranty on parts & labor (machine only)

## SPECIFICATIONS:

<b>Model</b>	<b>500M</b>
<b>Solution Tank</b>	5 gallon
<b>Run Time</b>	1.1 hours wide open
<b>Solution Pump</b>	220 psi
<b>Mist Particle Size</b>	70 Micron VMD - Optional Tips Available
<b>Solution Hose</b>	25' standard (Optional 50' or 100')
<b>Tank Construction</b>	Polyethylene, lifetime warranty
<b>Clam Shell Design</b>	Only two screws to open the equipment bay for easy maintenance or repair
<b>Rear Wheels</b>	7" non-marking
<b>Front Casters</b>	2.5"
<b>Power Cord</b>	25 ft. detachable
<b>Mist Application Gun</b>	Commercial tough, 37" in length, quick change Twist-off tips, in-line filter
<b>Misting Gun Holster</b>	Side mounted for easy transport and storage
<b>Tool Caddy</b>	Top mounted for easy transport of chemical, solution hose, towels and power cord
<b>Folding Handle</b>	Folds flat to machine for compact storage or transport in tight spaces
<b>Weight</b>	36 lbs.
<b>Shipping Weight</b>	57 lbs.
<b>Dimensions</b>	24"L x 17"W x 33"H
<b>Shipping Dimensions</b>	25"L x 19"W x 33"H
<b>Warranty</b>	5 year parts & labor, lifetime on enclosure

## SPRAY TIP OPTIONS:

Spray tips for the Counter Strike misting gun are easily interchangeable for desired particle size application (VMD). The tip of the gun is a quick change tip that only requires a quarter turn to remove and change, no tools necessary.

PART#	DESCRIPTION
A14774	TN1 spray tip. 55 VMD at 200 PSI
A14779	TN2 spray tip. 70 VMD at 200 PSI. <b>Ships standard with Counter Strike package</b>
A14782	TN3 spray tip. 80 VMD at 200 PSI
A14796	TN4 spray tip. 95 VMD at 200 PSI

## Optional Solution Hoses - 25', 50', 100'

Depending on the application, customers will need different or additional lengths of solution hose to meet their needs. They come in three different sizes and can be combined together for longer runs.

PART#	DESCRIPTION
<b>00604-25HPA</b>	25' Solution Hose Assembly with male/female QD's
<b>00604-50HPA</b>	50' Solution Hose Assembly with male/female QD's
<b>00604-100HPA</b>	100' Solution Hose Assembly with male/female QD's
