

ALL SURFACE CLEANING & RESTORATION

The TORO HD orbital floor scrubber is an all-surface cleaning, scrubbing, sanding, polishing, interim, and grinding machine that cleans and restores carpet, stone, tile and grout, wood, vinyl, concrete, epoxy, and other surfaces; provides chemical-free stripping, low moisture carpet encapsulation, tile and grout cleaning and more in ONE MACHINE! Ideal for contractors and restoration professionals.

The TORO HD scrubbing technology combines small oscillations at 1725 RPM with a rotating head at 80 RPM for improved scrubbing performance, efficiency, and speed to get jobs done quickly and easily.

SAFETY: The TORO HD orbital technology provides the user with a floor machine that is much safer and easier to use than a traditional rotary machine. Training is simplified and damage risk to walls and furniture are minimized.

ANY HARD FLOOR

ENCAPSULATION CARPET CLEANING

SCRUBS, POLISHES, STRIPS, GRINDS, HONES, AND RESTORES

TORO HD

HEAVY DUTY ORBITAL FLOOR MACHINE

Features and Benefits:

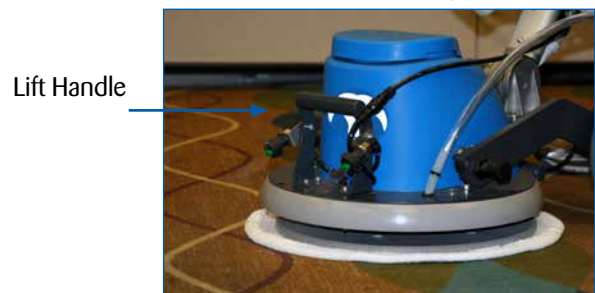

- Orbital agitation requires less time, water, chemical, and heat; reduces splash when compared to a rotary machine
- Reduces time to strip, scrub and polish
- Low energy consumption
- One machine cleans ALL types of floors
- Low moisture encapsulation carpet cleaning
- 10" non-marking wheels for easy transport
- Durable steel frame
- Tool-FREE pad driver installation with wing nuts
- Oscillating pump, no priming necessary
- Scrub pad has 100% contact with the floor
- Orbital technology makes the TORO HD easy to use and minimizes operator fatigue
- Ergonomic handle is easily adjustable for different operator heights
- Cleaning Path: 17" diameter
- 4-gallon solution tank, standard option
- Gravity feed, standard option
- Oscillating pump (no priming necessary) with dual spray jets, standard option
- TORO HD machine is 109 lbs. with optional 37 lb. weights (up to 2 for an additional 74 lbs.) Provides 183 lbs. for those tough restoration jobs

Specifications

Model	1725-TES
Head Size	17"
Velcro Driver Plate	Yes
Motor	Universal, 1100W
Amps	12 Amp
RPM	1725 RPM Micro Orbits, 3/8" dia. 80 RPM Rotation
Horsepower	1.5 HP
Pump Control	Multi-Position Switch
Cord	14/3 Gauge Pigtail, Standard Plug
Lift Handle	Yes
Sound Level	62DB
Base flips/easy pad install	Yes
Wheels	10"
Spray Tips	Dual, Anti-Drip, Adjustable
Pump	90 PSI Oscillating Pump No Priming
Spray Tank Capacity	3.9 Gallon
Weight	109 lbs.
Optional Weight Sets	37 lbs. Each, 2 Maximum
Free Floating Base	Yes, Full Floor Contact
Dimensions	48"H x 19"W x 28"L
Motor Height Clearance	12.5"

Tool-Free Spray Jets

(2) 37 lb. Weights

Fits discreetly under pad driver for even weight distribution

Tile & Grout Brush
