Quality Above All

POWERMATE
POWERED CARPET WAND

POWERED CARPET WAND

So lightweight and maneuverable, the Powermate will triple your productivity. No more backaches and fatigue from slow, tedious cleaning with a wand.

Unlike traditional carpet wands, the Powermate provides a high-speed cylindrical agitator brush that gets down to the base of the carpet fibers for more effective cleaning. The combination of brush agitation and solution spray minimizes physical exertion and improves cleaning performance.

Most EDIC portable extractors can be equipped with an optional AC plug for the Powermate so you don't need an extra power outlet to run it, making it an easy addition to your cleaning arsenal.

The see-through front cover allows you to see the soil and chemical being removed from the carpet.

WITH BRUSH AGITATION

WARRANTY 5 YEAR WARRANTY
